

REMARKS

Applicants are submitting this Supplemental Amendment After Final to replace the Amendment filed on November 29, 2006, which contained a typographical error.

Applicants respectfully request that the above amendment be entered. Applicants have amended the Cross-Reference to Related Applications section to specify that No. 10/672,311 claims priority under 35 USC 119(e) from U.S. Provisional Application No. 60/469,433. Applicants submit that this amendment is appropriate at this time as the priority claim in the '311 application was made only recently. (A petition for a delayed claim to priority was submitted in the '311 application on July 7, 2006). This amendment is a minor correction and appropriate for entry after allowance (see, e.g., *In re Lambrech* 202 USPQ 620 and *In re Van Esdonk* 187 USPQ 671).

Respectfully submitted,
